

SUSTAINABLE RESOURCE

R-004-21

Hereby Eventsost certifies that the product line
of sustainable materials for events of:

Is a SUSTAINABLE RESOURCE FOR EVENTS having shown its capacity to improve
results in sustainable events. These improvements are reflected under following
circumstances

- Diminishment of the consumption of materials at events
- Elimination of waste originated by the dismantling of stands for events
- Savings in energy consumption
- Decrease in CO₂ emissions
- Reduction in the generation of noise in the assembly of stands
- Promotion of the circular economy
